NCWCC Looks Ahead
J.D. Furrer, President 1
Impact of World Food Needs on American Agriculture
Louis M. Thompson 2
"Topcide", A New Post-Emergent Herbicide for Sugar Beets
Kenneth P. Dubrovin, P.W. Gull, Harry C. Zeisig, Jr., and A.J. Latham 4
Use of Superior Spray Oils to Improve the Herbicidal Activity of Atrazine
J.W. Hammond and M.T. Waddell. 5
Precision Application
C. Rodney Johnson 6
Effect of Soil Incorporation on Herbicide Performance
J.L. Williams, Jr., R.D. Clark, and M.A. Ross. 7
Selective Weed Control in Alfalfa With Oxynils
Roy R. Johnson. 7
Control of Burcucumber in Field Corn
Merrill A. Ross and James L. Williams, Jr.. 10
Early Postemergence Herbicide Applications in Field Corn
J.L. Williams, Jr. and M. A. Ross 11
Reaction of C.I. 1031 and Bolley Flax to Various Postemergence Herbicides
John D. Nalewaja and R.E. Bothun 11
Preemergence Herbicide Combinations
Merrill A. Ross and James L. Williams, Jr.. 11
Wild Garlic Control in Winter Wheat Using Herbicide Combinations
Larry K. Binning and William F. Meggitt 12
Effect of Dicamba Applied at Various Stages Upon Flax
John D. Nalewaja 12
Chemical Control of *Kochia Scoparia* in Sugar Beets
E.F. Sullivan, R.L. Abrams, D.W. Bernhardt and R.R. Wood 13
Annual and Perennial Weed Control on Highways
C.S. Williams 14
Use of Untreated Check Plots in Railroad Vegetation Control
D.H. Yazell and J.A. Sterling. 17
Methods of Applying Atrazine and Propazine for Selective Weed Control in Sorghum
G.A. Wicks. 17
The Spray Deposit Patterns from Several Types of Low Volume Nozzles
L.E. Bode, M.R. Gebhardt and C.L. Day 17
Flame Weed Control in Corn
Ray M. Lien. 19
Controlling Flame for Weed Control in Soybeans and Corn
William F. Lalor and Wesley F. Buchele 19
Physiology of Rhizome Bud Germination in Johnsongrass
Richard J. Hull 19
Diurnal Organic Constituent Variations in Kochia (*Kochia scoparia*) and Field Bindweed (*Convolululus arvensis*)
Alvin L. Young and Kurt C. Feltner 20
Comparison of the Residual Effects of Dicamba, Picloram and 2, 3, 6-TBA With Field Beans (*Phaseolus Vulgaris L.*)
Fenster, C.R., Burnside, O.C. and Wicks, G.A. 20
The Influence of Incorporating EPTC and Trifluralin with Several Tillage Implements on Weed and Crop Yields and Herbicide Carryover
L.R. Robison and C.R. Fenster 20
Response of Smooth Bromegrass to Several Herbicides
M.K. McCarty and C.J. Scifres 21
The Potential of Gypsophila Paniculata as a Weed in Saskatchewan
A.L. Darwent, R.T. Coupland and N.A. Skoglund. 22

Downy Brome Competition in Winter Wheat
G.A. Wicks 22
The Uptake, Translocation and Fate of Dicamba in Wheat and Wild Buckwheat
P.C. Quimby, Jr. and John D. Nalewaja. 22
Effects of Soil-Incorporated Herbicides and Herbicide Combinations on Yield and Weed Control in Irrigated Plantings of Beans (*Phaseolus Vulgaris*)
J.K. Greig, Max E. Fogleman and Roy Gwin, Jr. 23
Pre-Emergent and Post-Emergent Weed Control in Seeded Onions
J.K. Greig and Roy Gwin, Jr. 24
Persistence of Pre-Emergent Herbicides in Controlling Weeds in Sweetpotato Plantings
J.K. Greig and J.E. Motes 25
The Effect of DCPA on the Morphology and Anatomy of Cucumber Seedlings
E.T. Haltvick and B. Esther Struckmeyer 27
Use of Alanap-3 in Combination with Asphalt Mulch on Cucurbits
Milam T. Jones and Charles V. Hall. 27
The Effects of Herbicides on the Nutritional Quality of Tomatoes
D.W. Smith and D.D. Hemphill 27
Recognizing Herbicide Injury
Ellery L. Knake. 28
Weed Identification and Weed Exhibits
L.E. Anderson. 28
What the Pesticide Label Means to You
J.D. Furrer. 29
Computerized Weed Control
S.E. Ainsworth 30
An Effective County Weed Control Program
David S. Johnson. 31
Minnesota's Canada Thistle Control Program
Gerald Miller 33
The Report of the Regulatory Weed Worker Award Winner for 1965
John J. Koenigs 33
How We Control Weeds on Our Farm
Charles E. Fick 34
Suggested Safe Use of Pesticides Legislation
Edward H. Hansen. 35
Selling the Principles of Weed Control Regulations
Ellsworth Carlson 37
Weed Control in Alberta - Extension and Regulatory Aspects
W. Lobay 37
Twenty-Seven Years as a State Weed Control Official in Minnesota
Sig. Bjerken 39
The Effects of Residues of Picloram on Growth of Vegetable Crops
D.D. Hemphill. 39
Brush Control in Sphagnum Moss Bogs
Malcolm N. Dana 39
Pre-and Post-Emergence Herbicide Applications to Annual and Perennial Garden Flowers
Larry D. Leuthold and William J. Carpenter. 40
Evaluation of Herbicides for Phytotoxicity and Pre-Emergent Weed Control in Ornamental Species
Charles E. Long 41
Quackgrass Control in Perennial Horticultural Crops
A.R. Putnam and H.C. Price 41
Aquatic Weed Control Studies in Manitoba
G. Friesen 42
Simazine and Atrazine as Aquatic Herbicides
Robert C. Hiltibran. 43
Preemergence Herbicides for Weed Control in Crambe
Merrill A. Ross and James L. Williams, Jr.. 44
A New Selective Pre-Emergence Herbicide: CP-50144
R.F. Husted, J.F. Olin and R.P. Upchurch 44

The Extent, Time, and Duration of Weed Competition in Sorghum
O.C. Burnside and G.A. Wicks 44
Atrazine-Oil for Post Emergence Weed Control in Corn and Sorghum
W.G. Wright 44
Use of Atrazine in Water Plus Oil for Weed Control in Corn
E.P. Sylwester 45
Oil Water Emulsions As Carriers for Atrazine
Dr. H.M. LeBaron 46
Herbicide Combinations for Weed Control in Soybeans
Ellery L. Knake. 47
Herbicide Combinations for a Broader Weed Control Spectrum in Soybeans
O.C. Burnside 47
Combinations of Herbicides for Soybeans
Jerry Caulder 48
Looking Ahead in Weed Control - Extension
Ellery L. Knake. 48
Looking Ahead in Weed Control from a Regulatory View
E.H. Hansen. 49
Looking Ahead in Weed Control - Research
Dayton L. Klingman. 51
Presentation of Awards 53
Honorary Members—NCWCC 54
County Award Winners—NCWCC 54
Meetings of the Board of Directors 54
Registration List—NCWCC 59
List of Sustaining Members 70
